

Telling Time

The small arm of clock tells the minutes and the long arm shows the hour.

Here the small arm is at **2** and long arm is at **4** which means **20** minutes, so the clock showing the time is **2:20**

Q: Draw the arm on clock face according to the time given

 3:30	 7:40	 6:15
 8:25	 9:10	 5:15
 1:10	 12:55	 7:50
