

Telling Time

The small arm of clock tells the minutes and the long arm shows the hour.

Here the small arm is at **2** and long arm is at **4** which means **20** minutes, so the clock showing the time is **2:20**

Q: Draw the arm on clock face according to the time given

 2:15	 5:55	 3:35
 4:20	 1:30	 5:50
 12:45	 12:55	 1:00
