

Compound Words

Compound words are two small words that join together to make a bigger new word.

Circle the compound word in each sentence.

1. I am using laptop since morning.

2. She has a beautiful bedsheet for her bed.

3. Behind the armchair there was a mouse.

4. I have a goldfish in my pond.

5. Jess picked up seashells from the beach.

6. I use toothbrush to clean my teeth.
